Dear Colleague:

We are pleased to invite you to exhibit at the 14th Annual Perioperative Medicine Summit, February 13-16, 2019 at the Waldorf Astoria in Orlando, FL. This summit provides an exclusive opportunity to connect with 300 perioperative professionals from all regions of the country in a collegial setting.

Our attendees include physicians and nursing professionals practicing in all phases of anesthesia, internal medicine and hospital medicine, in addition to other specialties. The typical attendee has more than ten years of experience and is influential in the selection of medications, supplies and equipment. Because of this broad experience, our attendees are established in their communities and are well-connected with their colleagues. When you connect with individual attendees at the Summit, you reach entire networks of professionals – doctors and nurses on the vanguard of pain management and pre- and post-surgical patient care – across the nation.

Exhibits hold a place of importance in the 14th Annual Perioperative Medicine Summit. By providing an opportunity to learn about the products and services that can help improve the quality, safety and outcomes of perioperative care, exhibitors make a vital contribution to our organizational mission and to the overall experience of the attendees. Traffic in the exhibitor hall will be maximized with ample exhibit hours, daytime meals and breaks served in the hall and strong acknowledgment from the Summit Director and planning committee members.

Your participation would greatly enhance this year’s Perioperative Medicine Summit. We would be delighted for you to represent your company at this event and look forward to working together. Please refer to the attached Exhibitor Prospectus for more information on the many ways you may participate. Exhibit space and sponsorship opportunities will be contracted on a first come, first served basis. If we can assist you in any way, please feel free to contact us via email or phone.

We hope to see in you in Orlando!

Sincerely,
2019 Summit Co-Directors
